See Case Lists

4. A list of projects will display. Locate **Phase: PCI-QI-2025_2026**
5. Click on the **upload series icon** that corresponds to the year of the project(s) you are uploading.

Phase: PCI-QI-2025_2026

Case	Status	2025	2026
pciqi_2025	Collecting		

6. The **Upload ,2025 or 2026,** screen will display. Click on the **Choose Files** button.

Upload 2025 (QI) Files

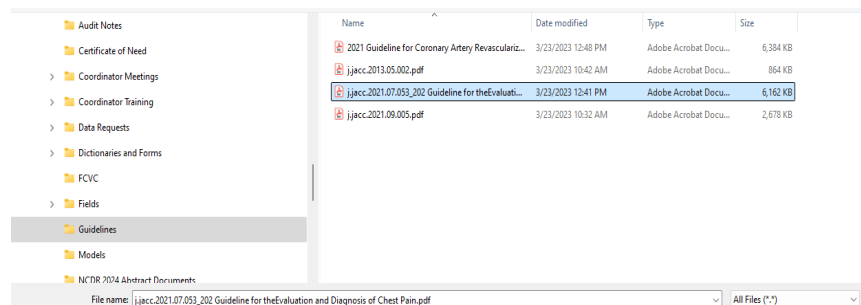

Select your files or drag and drop them below to begin your upload.

Choose Files No file chosen

Drag and Drop files
here

Select your files or drop them into the box above and your upload will begin. You can also select a .zip archive.

7. Locate your file on your computer (2 QI summaries are required, if uploading additional files they must be in .doc, .pdf, .ppt format).
8. Click on the **file**.
9. Select the **Open** button or drag the file to the “Drag and Drop files here” box.

10. You will see the **Upload** box again. You know that your file has uploaded when you see the green bar and the word "Processed."

11. Select the next file you want to upload for that timeframe and repeat steps 7-9. You will only see "1 of 1 files" even if you upload multiple files.

12. Click on the "X" in the top right corner of the screen when you have uploaded all the files for that timeframe.

Upload 2025 (Q1) Files

Select your files or drag and drop them below to begin your upload.
